Dear Parents,

The Western Athletic Department would like to invite all Jr. High and High School parents, along with your athlete, to a pre – season meeting to be held at Western High School on Thurs. Nov. 3rd at 6:00 in room101 at the High School. For your convenience, it goes along with our Parent- Teacher conference night. This mandatory meeting will give you some information on eligibility, athletic policies, schedules and other useful information. The newest video is on our school web site at westernlocalschools.com. You may view it there, sign in on the sign in sheet and then not have to stay over and watch it the night of our meeting. You will, however , need to come to the meeting to get the other pertinent information.

If you are not able to attend , you may contact me at the High School to make arrangements for another time. The OHSAA in Columbus requires all schools to have these meetings. We appreciate your cooperation and look forward to seeing you on the 3rd of Nov. If you already came to the meeting in August you do not have to do this again.

Sincerely,
Jenny Penn
